This project to help out the folks at Robinson Elementary School (our next-door neighbors) is also part of a competition among Robinson Memorial, Union, New Hope and Olney Presbyterian churches. As such, be advised that it is better for the competition to purchase smaller packages, such as 10 10-packs of pencils instead of one 100-pack (same number of pencils, but one counts as 10 items and the other as 1).

You may place donations in the tall box in the Narthex (front entrance) on Sundays, or use the Big Blue Box located on the sidewalk to the rear, office wing door on the southside of the church (nearest the school) any day of the week at any time of the day. **Last day for drive is Sunday, Aug. 14.**
